

Are you Ofsted Ready for Mathematics?

Course Details

Date: 18th March 2025

Venue: Online (Zoom)

Time: 9:15-11:45

Cost: £70 per delegate

Course Leader: Vanessa Brown (Inspiring Maths Education)

Overview of Training:

This online course will support you in developing your subject specific 'eye' so that you are better able to evaluate the effectiveness of mathematics within the curriculum in your school, whether you are preparing for a graded or ungraded inspection.

Course Content:

- a greater understanding of what it means to be 'Ofsted ready' in mathematics;
- discussion of OFSTED's latest reports and news, including Coordinating Mathematical Success and Strong Foundations in the First Years of School;
- practical suggestions on how you can audit and gather evidence for mathematics;
- consider features of a successful, high-quality mathematics curriculum and how this relates to your school;
- developing a vision for mathematics in your school including the exploration of intent, implementation and impact;
- identifying priorities for your mathematics curriculum.

Bookings can be made at www.teachcr.com/mathematics and further course information is available by contacting enquiries@teachcr.com
