

Developing Assessment in Geography in the Primary School

Course Details

Date: 21st January 2025

Venue: Online (Zoom)

Time: 09:15-11:45

Cost: £70 per delegate

Course Leader: Jackie Zammit

Overview of Training:

This online training is for teachers and subject leads and will explore short, medium and long-term assessment opportunities. We will discuss ways to make it meaningful and engaging for learners as well as guiding you in the planning process.

Course Content:

- what do high standards in the teaching of Geography look like?
- study the frameworks for progression and assessment;
- gain confidence to build assessment into planning for progression;
- explore examples of day-to-day, medium- and long-term assessment; techniques
- share experiences with peers from other schools.
