

Sustainability through Primary Geography

Course Information

Our online 2024-25 Geography Subject Leader Network Meetings will have a different format. A specific theme will be allocated to each meeting.

Summer 2025- A Focus on Mapping in the Primary School

Date: 12th February 2025

Venue: Online (Zoom)

Time: 13:15-15:15

Cost: £70 per delegate

Course Leader: Jackie Zammit

Course Overview

Our online Subject Leader Network Meetings will provide opportunities for you to consider the very latest local and national developments in the teaching and learning of Primary Geography. They will encourage reflection on your own setting and your next steps in leading to further improve the quality of Geography teaching and learning. Sessions will also enable you to share practice and create links through discussion and debate with other Primary Geography Leaders.

Course Content

- Update of latest national developments in Primary Geography
- Sharing of local and national initiatives and opportunities
- What does learning about sustainability look like?
- The role that Geography can play in helping us respond to the challenges we face
- Explore sustainability as a concept or thread that can run through your primary Geography curriculum, and how it connects to other curriculum areas
- The Sustainability and Climate Change strategy from the DfE and what this means for us

Bookings can be made by visiting www.teachcr.com or by contacting enquiries@teachcr.com
