

Effective Transition from EYFS to Year One

Course Details

Date: 18th June 2025

Venue: Online (Zoom)

Time: 13:00-15:00

Cost: £70 per delegate (£100 if both Reception and Year One teachers attend)

Course Leader: Debs Bragard

Overview of Training:

This new online course will provide you with a fully planned 3-week unit for Reception and a fully planned 3- week unit for Year One. The planning comes with lots of great ideas to develop communication and language and literacy at the end of EYFS and the beginning of Year One. It is designed to build on submitted profiles so that children continue to make progress in July and also have an appropriate starting point for Year One in September.

Course Content:

- Inform and guide EYFS and Year One colleagues through informed transition discussions
- Explore how every child's EYFS profile can inform and support on-entry planning in Year One
- Create a seamless journey from EYFS to Year One including classroom layout and lost summer holiday learning
- Provide exciting and purposeful reading and writing activities for the 'post-profile' end of EYFS linked to the beginning of Year One
- Use two 'linked' texts so that children can build on their experiences from EYFS in the first few weeks of Year One.

Bookings can be made by visiting www.teachcr.com/eyfs or contacting enquiries@teachcr.com
