

Developing Oracy, Reading and Writing in the Outdoor Area

Course Details

Date: 27th November 2025

Venue: Online (Zoom)

Time: 09:15-11:45

Cost: £70 per delegate

Course Leader: Debs Bragard

Overview of Training:

This online course will help you to use your outdoor area to develop independent oracy, reading and writing skills.

Course Content:

- an opportunity to examine the need to reflect 'classroom' learning in the outside environment;
- how to plan and organise a yearly overview of activities in the outdoor area;
- a clear overview on how to use familiar aspects of the outside classroom;
- how to develop independent oracy, reading and writing skills;
- support on how to collect and organise resources which motivate children to use reading and writing skills in the outside environment;
- how to support learning through modelling and engagement of all adults;
- how to enhance/access areas of the outside environment even during seasonal changes and weather conditions.
